B) Route by car from London/ the South

If travelling by car a good map is necessary.

Take M1 to junction 15A & exit to Northampton

Continue through the outskirts of Northampton & follow signs for Market Harborough on A508

Take left turn after approx. 20 minutes just after Maidwell village & sign posted to Hazelbech & continue on through to the village of Naseby & down the main street of Naseby

After 2-300 metres you will see a public house " the Fitzgerald arms"

Turn right here round a triangular island & continue in the direction of Welford, following the main carriage way, cross over A14 on a bridge after approx. ½ mile & then a further ½ mile on left you will see the sign for "Woolleys Farm"

Take this driveway which runs for 750 metres & turn left for office parking on arriving at the first building

The white double office doors will be immediately in front

Please ring if you have any problems

C) Route by car from the North

Take your local directions to join either the M1 or M6 & then exit at the junction of these motorways to the A14.

Follow the A14 for approx. 3 miles & exit left (sign posted to Welford)

After approx. 2 miles you come into Welford village, continue through and turn right at the bottom of a long hill where the road bends sharp left over a small bridge.

THE TURNING YOU NEED IS BEFORE THE BRIDGE

It is sign posted to Naseby, follow this for 2 miles & WOOLLEYS FARM is sign posted on the right (a white farm sign on the wooden fence)

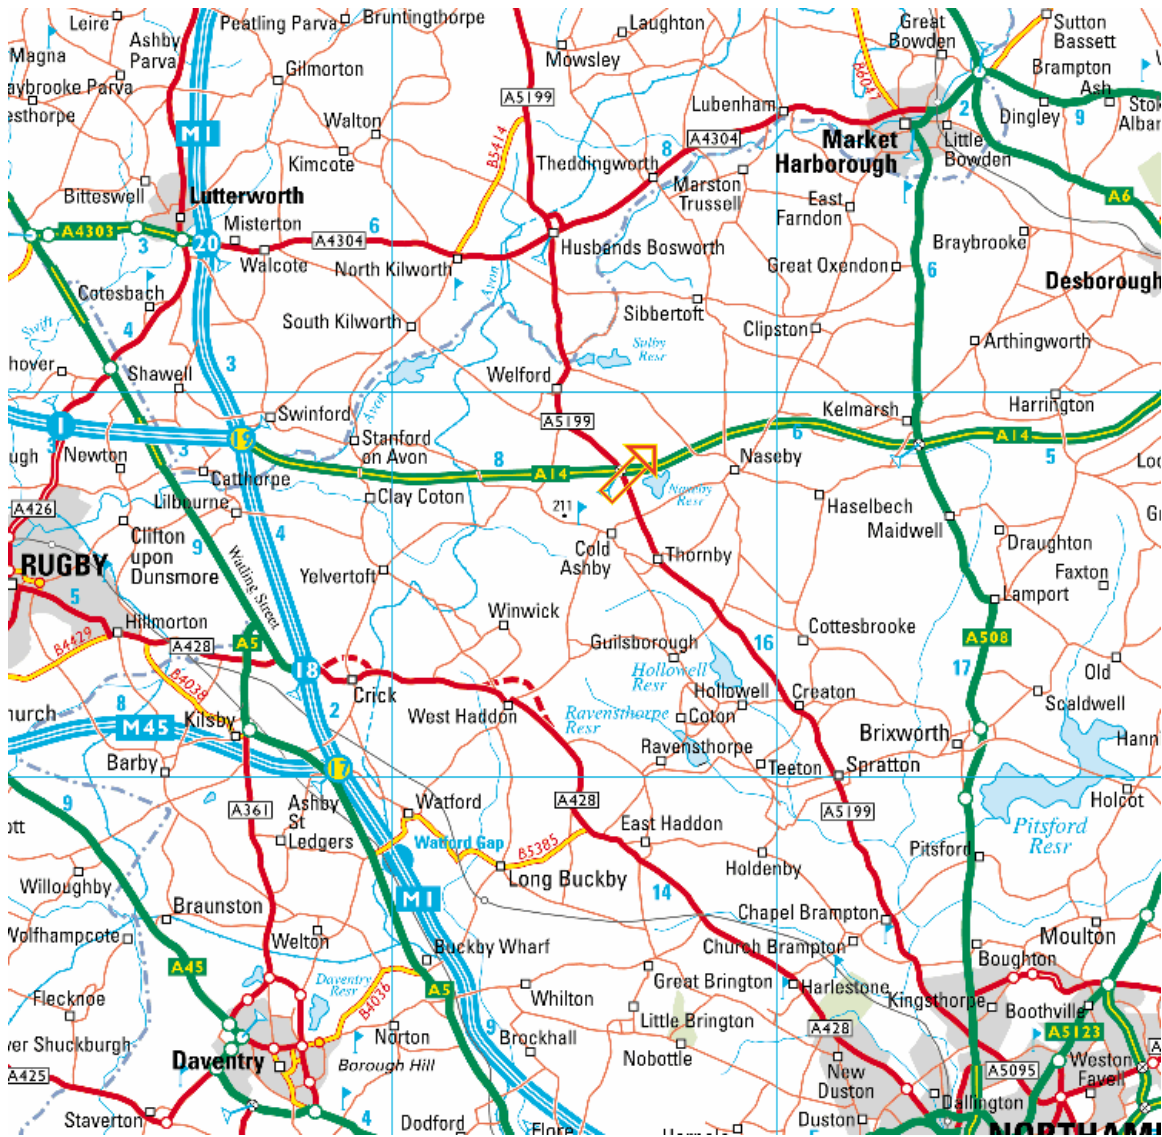

Take this driveway which runs for 750 metres & turn left for office parking on arriving at the first building

The white double office doors will be immediately in front

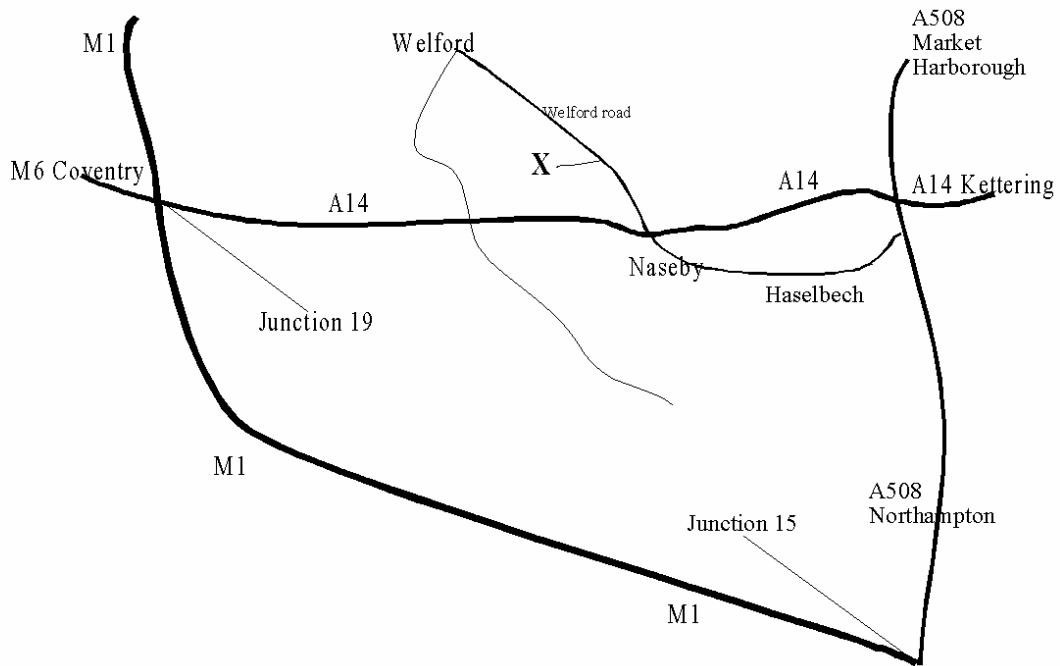

Please ring if you have any problems
